APPLICATION

Use ECOVAM® ENDO GRANULAR by tilling into the ground, banding with seed and fertilizers, with rooting gels, hydro or verti-mulching, as a potting soil amendment, and via numerous other methods that place the product into direct contact with the roots of plants.

ADD 1/4 to 1/2 lb of ECOVAM® ENDO GRANULAR per cubic yard of material. For more specific recommendations, please contact your authorized Horticultural Alliance representative.

STORAGE & HANDLING

Store in a cool, dry place. Avoid high temperatures and direct sunlight. Product shelf life is up to 24 months.
